First picture is Before training, during training going on with smile of Gloria; we are now celebrating with Gloria the success of the training, Gloria next to a boy on red t-short 14 years old orphans who missed child Marriage from her uncle and run to our project Director requesting for training, when she had about bakery skills training, she registered with others and finish her training now helping her younger sibling as a bread winners.

➤ *Person with Disabilities forum group*

*Emmanuel trained by Earn now training Anna the Secretary of the group designing her shoes
Group in Amuca Lira Sub Count*

The outcome of the materials now seen.

In the amongst the PWDs group:- these are the words.

We the blind, depts. Dumps and some of us have mental issues and 30% of us living with HIV.

The reason why we choose cobblers is because we are vulnerable to fire not only that these shoes we are making it now, take long time to spoil than bread and cake, even the market are there. So we really want to thank the Tukulere wamu Uganda and TUKOLERE WAMU INTERNATIONAL through Earn Uganda, we can now buy salt, sugar and school requirements for our kids and our medical bills.

Anna speeches: we are now requesting Tukulere wamu through Earn Uganda, if possible to support us with 2 tents and 200 chairs in order to burst our income generating activities and savings, we shall use it for training and hire to ceremonies functions so that it bring money in our group account and we shall roll it and lent to other vulnerable members.
